

PSIA-NRM Telemark Level I

Certification Workbook & Checklist

Professional Development & Skills Proficiency Log

Welcome to the wonderful world of Telemark instruction! This certification Workbook and Checklist is designed to help you verify and improve your current understanding of technical knowledge, teaching knowledge and skiing ability on your path to becoming a Level I Certified Telemark Instructor. This workbook is to be used as a study guide to prepare you for the certification process. It is important to not only find the answers to the questions, but to also integrate these answers into your teaching experience and understanding of the sport and your students. There are questions that ask for examples. Please try to answer with examples from your own teaching experience and interactions with your students. The goal is not to only learn the material, but to give this knowledge an application as well.

The workbook must be completed before your certification event! Checklist completed at your certification event. It is important to allow plenty of time to complete this workbook prior to your event to enable you to properly integrate the knowledge. This will greatly help in your process to becoming certified.

Note: Please remember the Learner's Responsibility Code; ***I am responsible for my own learning!*** You are expected to take responsibility for your own learning, make sure you learn what you need to learn, ask the questions to get the answers you need, and use this Workbook to track your learning and what you need to work on. Be an active learner!

The answers to most questions may be found in the Nordic Handbook, Nordic Technical Manual, Core Concepts for Snowsports Instructors, or other reference material that can be found in the resource list. You may fill out the answers in the spaces provided or on a separate sheet.

Name _____ Date _____

Present Telemark NRM Certification level _____

PSIA-NRM Telemark Level I

Certification Checklist

Checklist is to be completed only DURING your 3-day certification event!!!!

This certification Checklist is designed to help you monitor your progress and log your current understanding of technical knowledge, teaching knowledge and skiing ability on your path to becoming a Level I Certified Telemark Instructor. You will want to use this Checklist to actively keep track of where you currently are in each area. Use this Checklist to write notes on feedback you have received and score your current level of understanding. Please have your Nordic Education Staff Member look over your Checklist every day of your 3-day certification event. Ed Staff Members will check your notes, initial off areas in which you are meeting or exceeding the Level I standard, and provide feedback and coaching for improved performance.

This Checklist is divided into three sections: technical, teaching and skiing. Each section has a checklist of those things you must know or be able to perform to be certified as a Level I Telemark Instructor. To the side of the checklist is an area you can use to write notes and record feedback and coaching. This will greatly help in your process to becoming certified.

Be aware that although you are expected to know all the skiing maneuvers, teaching and technical elements in this Checklist, during your three-day event the Educators may or may not cover all those listed. This is up to the discretion of the Educator running the event.

Note: Please remember the Learner's Responsibility Code; ***I am responsible for my own learning!*** You are expected to take responsibility for your own learning, make sure you learn what you need to learn, ask the questions to get the answers you need, and use this checklist to track your learning and what you need to work on. Be an active learner!
